

Another fabulous month with fabulous weather, full of friends and families celebrating together. I feel very honoured to be able to provide the catering for these occasions and am very thankful for the wonderful feedback. Thank you to all the new, returning and recommended customers I have had the privilege to meet this month.

I can't bring myself to think about C*****mas yet, but I promise the November/December class dates will be in next months newsletter.

Take care and enjoy this months newsletter and the sunshine.
Debbie.

Great to be asked back for the 3rd time to cater for the Botley Twinning Association's bi-annual soirée. There was Pimms, food, wine, French songs and dancing- what more could you ask for!

Thank you to my French speaking staff- Justin & Ellie, you were awesome!

Following the success of last night's party, the culmination of our Twinning friends lightening visit to us, I just wanted to re-iterate the thanks we expressed to you, your husband and daughter last night.

I received many compliments about the meal from both French and English guests and we have just enjoyed lunch from one of the boxes you kindly left for us!

Our meal was everything we have come to expect from Debbie's Kitchen but we were also very grateful that you were willing to adjust your menu to accommodate our finances.

We continue to be so impressed by the quality of your food and the high standard of service you provide".

Lynn Gosden
Twinning Association

Love a mid-week party!

It was an honour to provide canapés and a 2 course buffet for Colin's 90th birthday this month.

It was lovely meeting all your friends and family and thank you for all your kind comments.

I have so had many messages from the friends and family who came to my 90th birthday party congratulating me on our choice of caterer for the event.

You helped make the day very memorable with not only your delicious dishes but your entire service of the food and drink for the occasion".

Sincerely, thank you Debbie.

Colin Harding
Birthday Boy

Congratulations to Gill & Bryan on celebrating 60 blissful wedded years this weekend.

It was a pleasure to provide a summer buffet for the event and even the sun shone

Thank you so, so much for providing all the food for Gill & Bryan's anniversary party yesterday, it was absolutely outstanding and everyone commented how much they enjoyed it".

Something a little different this month.....

"A wonderful holiday in..... Albania"

I was very lucky this month to go on an exciting holiday with my daughter to Albania. She sold the idea to me back in February with promises of lovely beaches, good food, great wine, friendly people and it wasn't going to break the bank!

She was correct on all counts and we enjoyed this very traditional, communal meal in Berat.

[Homemade food Lili](#) is an experience not to be missed, but be warned you must book in advance and be prepared to drink Raki!

Lili is the most entertaining front of house man and his wife the amazing cook, traditional Albanian dishes, homemade red wine and the company of people from around the world - what's not to love.

Fergese is one of Albania's national dishes, with its name derived from the verb "fërgoj," meaning -to fry. Recipes for Fergese vary across different villages, towns, and regions, each having its own version passed down through generations. Here's a [great recipe](#) that captures all the flavours of this typically Albanian dish - and is absolutely delicious.

Stay safe in the sun and hope you enjoyed this months newsletter
