

Wow, summer definitely feels like it is on it's way as I write this months newsletter. It's been a busy couple of months helping people celebrate, with a few holidays thrown in as well (more of that later).

It's lovely to take so many bookings for weddings, birthdays, anniversary's, retirements and just general partying! Dates are booking up fast for the summer and December, so if you have a date in mind, do get in touch and let 'Debbie's kitchen' do the hard work for you.

Enjoy this months newsletter and take care.
Debbie.

Recipe of the month

Filipino Recipes

As some of you may be aware my daughter has been working for a travel company in the Philippines since October. My husband and I had the amazing opportunity to go and visit her this month, she organised the whole trip for us - she told us to arrive in Manila on a certain date and she would do the rest! She booked our accommodation, internal flights, 3 day boat trip, canyoning, scooter experience, scuba diving, yoga - you name it we did it, I think she forgot we were nearly 30 years older than most of her usual clientele, but we did alright! We would have an 'afternoon briefing session' so she could tell us the next days plans. One of the highlights for me was a bespoke cookery class with [El Kusina](#) cookery school, cooking our own 5 course dinner with the wonderful Nina (the Filipino equivalent of Gordon Ramsey!).

The dishes were super tasty and very easy to cook, this was my favourite dish and very popular in the Philippines,
